SAFE SEAL:

Picnic Time is committed to providing safe, durable and environmentally responsible products.

The Safe Seal symbol is your assurance that our products comply with all state and federal environmental regulations and have passed product safety testing to certify they do not contain unsafe levels of chemicals known to the state of California to cause cancer or reproductive harm.

THERMOGUARD:

High-density closed-cell foam insulation keeps your food and drinks cool and/or warm for hours longer than uninsulated storage.

ECO FRIENDLY:

Picnic Time products are built to last a lifetime. Every time you use Picnic Time totes and dinnerware you are helping to reduce the impact of disposable bags and utensils on the environment and saving the energy used to produce them. Whenever possible, recycled materials were used in the packaging of this product.

Rubberwood comes from the rubber tree – a natural, eco-friendly hardwood and a renewable resource. At the end of the tree's life cycle, it stops producing latex sap. It is then harvested and used to produce products of lasting beauty and durability.

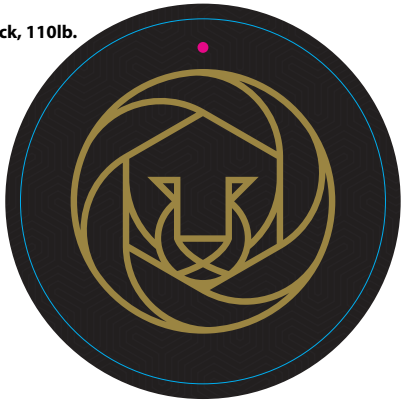

Bamboo is the fastest growing plant on Earth. A giant grass that replenishes itself naturally, bamboo is a highly renewable and sustainable resource, having minimal long-term adverse effects on the environment. Extremely strong and durable, it is recognized as a leading eco-friendly alternative to hardwoods.

Acacia is a fast-growing sap-wood tree whose root system helps to enrich the soil with nitrogen, keeping the soil healthy. Acacia wood is a natural, eco-friendly hardwood known for its exceptional beauty and durability. Highly resinous by nature, acacia is resistant to water penetration, making it very suitable for houseware items.

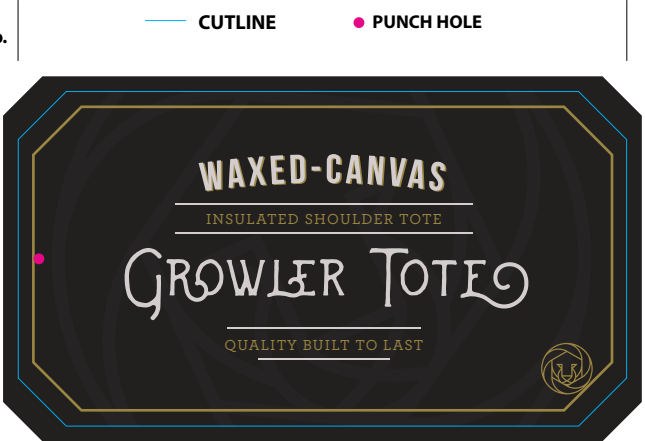

Black Walnut is native to eastern North America and has long been admired for its rich beauty and naturally occurring color variations. The tree's flowers are either male or female at one time, thus, more than one tree is needed for pollination, which prevents inbreeding and self-pollination, keeping the seed crop strong.

◀ **CATALINA | 140-10-319**

It's that time of year when meals make their way outdoors, and adventures are a weekend staple. The Catalina watermelon print basket is the perfect item to stock for Q2 & Q3.

POTLUCK | 650-00-406 ▶

With summer right around the corner, plans for potlucks, celebrations, and sporting events are on the rise. Moms and Dads will be looking for the perfect casserole tote to get their dish to and from the event safely and at the right temp. Now available in four trendy prints, this item is a huge hit.

◀ **STAINLESS STEEL GROWLER | 102-00-106**

With the explosion of the craft brew market and the close ties of craft culture, growlers are flying off the shelves. We've designed three stainless steel growlers that are sleek, eye-catching, and are a huge hit for all ages—from Millennials to Boomers.

ACACIA-BRIE | 879-03-512 ▶

We've revamped one of our most popular cutting boards by utilizing the strong darker wood of the Acacia tree. Its small diameter and built-in cheese tools set make this a great gift item all year-round and a consistent best-seller.

FOUR ACACIA TABLETOP PRODUCTS
YOU SHOULD HAVE IN STOCK

NEW

▲ ARTISAN SERVING PLANK | 892-00-512
To showcase the beauty of the Artisan Serving Plank's naturally water-resistant wood, we've left its raw beauty intact with a live bark edge on one side.

COMPAGNO | 965-05-506 ▲
The Compagno provides the perfect canvas for food preparation, presentation, and serving all in one by featuring an acacia cutting surface and a divided slide-out ceramic tray.

▲ DELIO ACACIA | 833-00-512
This Editor's Choice Award winner features a chalkboard area, three cheese markers, one soapstone pencil, and one cheese knife.

MESCOLARE | 966-00-506 ▲
This elegant oversized acacia salad bowl includes two contoured serving/tossing tools that store flush inside the bowl, making it practical as well as beautiful.

TOSCANA™ – a Picnic Time brand

T O S C A N A™

a Picnic Time brand

the TM must be after "TOSCANA" not "a Picnic Time brand"

OTHER "RULES":

- Whenever you use the brand it should have the Trade Mark on the packaging.
- The icons alone do not need it as we did not trade mark the logos.

- If you are referring to the brand in a sentence, you don't need the TM.

Thank You!
